ADMISSION TO THE INTERNATIONAL BACCALAUREATE (IB) DIPLOMA PROGRAMME (DP) FOR LA PAZ COMMUNITY SCHOOL STUDENTS

La Paz Community School places a strong belief in the advantages offered by the International Baccalaureate Diploma Programme (IBDP). As a testament to

this commitment, the DP serves as the official 11th and 12th-grade curriculum for all students, following a non-selective approach. It underscores the school's dedication to providing an inclusive and comprehensive educational experience.

It is noteworthy that the DP's internal and external assessment components are mandatory for all Costa Rican students. This requirement is in alignment with the pursuit of the Costa Rican National Diploma, further demonstrating the school's dedication to meeting both international and national educational standards.

ADMISSION TO THE INTERNATIONAL BACCALAUREATE (IB) DIPLOMA PROGRAMME (DP) FOR NON-LA PAZ STUDENTS

- Applicants must comply with La Paz Community School's admission process.
- Eleventh Grade applicants will be admitted based on acceptable performance in 9th and 10th grade, as determined by the admissions process to La Paz.
- In the case of students entering the senior year, the DP courses the student enrolled in the 11th grade must match the courses offered by La Paz. If the courses do not match 100%, Pamoja online or self-taught courses can be considered. The family will take over the cost of these courses. The status report for CAS, EE, TOK, internal and external assessments is required.
- All applicants in Year 1 must complete and submit La Paz Community School: IBDP Commitment Agreement (Appendix A) by the first week of the school year in September.

CONSIDERATIONS WITHIN THE DIPLOMA PROGRAMME AT LA PAZ

- As established by the *Diploma Programme Assessment Procedures*, "the students taking the diploma study six subjects selected from the subject groups. Normally, one subject is chosen from each group with three of these studied as higher level (HL) and three studied as standard level (SL)" (9).
- Students who comply with the following are eligible for a bilingual diploma
 - "Completion of two languages selected from the studies in language and literature group with the award of a grade 3 or higher in both languages."
 - "Completion of one of the subjects from the individuals and societies, or sciences subject groups in a language that is not the same as the candidate's nominated studies in language and literature language. The candidate must attain a grade 3 or higher in both the studies in language and literature language and the subject from individuals and societies or sciences subject groups." (*Diploma Programme Assessment Procedures*, 12).
- DP students may request a subject change within the first half of the first trimester of Year 1 (when Progress Reports are sent home). To initiate this change, students are required to send a formal email to the Diploma Programme Coordinator, providing detailed reasons for the requested adjustment.
- All DP students must finalize their subject choices for testing in Year 2, whether in the Diploma or Course category, by June of Year 1 (Appendix B).
- The minimum enrollment threshold to offer a DP course will be determined annually.

- Group 1 Studies in Language and Literature will exclusively be offered at a HL for all students.

ATTENDANCE

School Year Structure

The school year at La Paz commences in September and concludes in July, with designated periods allocated for breaks throughout the academic year. It is expected that families plan vacation trips, health appointments, and any other activities requiring an extended absence during these designated breaks.

Attendance Expectations

Consistent attendance (90% per trimester) is imperative for the development of skills, growth, and compliance with the required hours of instruction within the Diploma Programme. Families are expected to prioritize school attendance to ensure students can fully engage with and benefit from the educational opportunities provided. If absent, earning back the hours is crucial for students.

Procedures for Absences

- Three Absences (excused or unexcused) per subject in a trimester:
 - An email will be sent home, and an attendance contract among parents, students, and school will be signed.
- Five Absences (excused or unexcused) per subject in a trimester:
 - The student is required to attend additional class time on Monday and/or Wednesday from 3:00 to 4:00 in the library to complete the hours missed.

- If students do not attend these sessions after being asked, an email reporting the situation and explicitly describing that the subject matter will not be covered will be sent to the parents or legal guardians.
- Eight Absences (excused or unexcused) per subject in a trimester:
 - The student will be in academic insufficiency, which places him/her in a disadvantageous situation.
 - Help outside school will be required, and the work that has not been submitted will not be accepted for grading.

By adhering to this policy, we ensure that students meet the academic requirements and make the most of the educational opportunities provided at La Paz.

Important Considerations

- **Scheduled Tests:** If a student is absent for a scheduled test, he/she must make up the test after school on Tuesday or Thursday in the library, where the librarian will proctor these sessions. This is applicable only if the absence is excused and accepted.
- **Collaborative Tasks in Visual Arts, Theatre, and Biology Lab Exercises:** If a student misses a collaborative task in these subjects, the task cannot be rescheduled or recovered due to the nature of the activities.
- **Organization and Deadlines:** A calendar with deadlines will be shared to help students organize their time effectively.

Excused Absences

- **School-Related Sports Events:** Participation in school-sanctioned athletic competitions.

- AACP Students: If conditions and expectations outlined in the contract are respected.
- Health Issues: Absences due to illness.
- Family Bereavement: Absences due to the loss of an immediate family member

Tardies

- First 10 Minutes: The student is marked as tardy.
- After 15 Minutes: The student is marked as absent.

12. I accept that a significant amount of work will be independent study of my classes at La Paz like for CAS and the EE.

investigation of a perceived violation: confront my peer, tell my teacher and/or inform the DP coordinator so we can all guard against malpractice within the program. I understand that the school will always verify the authenticity of my work before submitting it to the IB."
